AFTER EFFECTS OF THE GRIP

It is fortunate that the grip epidemic this year is milder in its action than in previous years. This does not mean that it is less dangerous.

The after results of the grip may be exceedingly serious. In most cases, however—for the general weakness and to allow a bronchial irritation after the fever has passed nothing equals Vinol, which is a combination of the health giving properties of the oil's liver, with the greatest amount of tonic iron added.

A lady from Long Island, N. Y., writes: "The grip left me in a nervous, weakened, run down condition. After taking three bottles of Vinol I am better and stronger than I have been for years, and I strongly recommend Vinol to all who have been ill and see strength." Name furnished on request.

After grip or any severe disease try a bottle of Vinol with the understanding that your money will be returned if it does not restore your vitality and strength. Long Island Druggist, Maysville, Ky.

Arbor Day

Governor Wilson has set aside Friday, October 27th, as Arbor Day, on which trees will be planted, all over the State, by the school children. The date was changed from spring to fall on account of there being more chance that the trees will live if planted in the fall.

Court Doings

Whether it is the presence of Colonel M. J. Hennessy and his Grand Jury holding daily sessions in the third story of the Courthouse, or what not, the manner and morale of a certain class in the city are not as strenuous as they are wont to be, as is evidenced by the Court docket. In Judge Whitaker's Court there was but one lone case, while Judge Rice was a man of leisure all day and the nothing doing sign holding a conspicuous position.

MAYSVILLE LOOSE LEAF TOBACCO MARKET

The Farmers' Market is open daily from 10 a.m. to 12 p.m. The total amount of tobacco sold at \$1,000 per hundred pounds, or \$10 per pound, per hundred pounds. The city of Maysville is a regular market, having an average of \$1,000 per day.

SCHOOL ENTERTAINMENTS

Large Gathering Last Evening at High School Auditorium

Though yesterday was most disagreeable, the entertainments last evening and evening at the High School Auditorium were largely attended, fully seven hundred being present in the spring.

The exercises in the afternoon were given by the pupils in Miss Jessie Clark's room, consisting of songs, recitations, etc.

The entertainment in the evening was on a larger scale and was quite credit to the popular talent part. The songs were catchy, the recitations bright and delightfully rendered, the drills unusually pretty, while the playlets were quite up-to-date, "Uncle Sam's Re-optic" being especially so.

The entertainments were followed by the art exhibit, several hundred pictures being hung in the Auditorium. The proceeds of the entertainments this week are to be used in the purchase of some of these pictures, and judging from the first day's attendance a very neat sum will be realized.

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. JOHN D. TAYLOR

One of Maysville's Esteemed Citizens Passes Away

John Duke Taylor, who has been in declining health for a year past, died at Shelbyville, Ind., Tuesday night at 12 o'clock, aged 55.

The deceased was a son of the late Hon. and Mrs. Harrison Taylor, and was born in this city in 1856. He acquired the art of printing, but for the past twenty-five years had been conducting a newsdealer agency. He was a graduate of Rand & Richeson's Seminary, one of this city's noted seats of learning in its day, and was perhaps one of the best read men in the community, being frequently consulted in matters of literary character by persons seeking information. He was broad-minded, of a kindly, generous disposition, and universally esteemed by a wide circle of acquaintances.

He is survived by one sister, Mrs. Mary Peltam, and one brother, Assistant Postmaster Harry Taylor.

The remains will arrive here this evening at 10:45 over the C. & O. and the funeral will take place at 10 o'clock tomorrow morning from the family home in West Second street, with service by the Rev. J. H. Fielding of the Church of the Nativity. Interment in Maysville Cemetery.

Danderine

Grows Hair and we can

PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every 1/2 for a short time after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes us as follows:

"When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."

Another from Newark, N. J.

"I have been using Danderine regularly. When first used to my hair it was very brittle but with it I have the most beautiful and thick hair anyone would want to have."

NOW at all druggists in three sizes 25c, 50c and \$1.00 per bottle

Danderine enjoys a greater sale than any other one preparation regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

FREE To those who quickly Danderine will return mail in large sample for trial. Return mail to anyone who sends this free coupon to the KIRKTON DANDERINE CO., CHICAGO, ILL., with their name and address and 10c in silver or stamps to pay postage.

Doan's Kidney Pills are for sick kidneys,

backache and urinary disorders.

Mrs. E. T. Gorman, South Main street, Bloomington, Ky., says:

"I do not think it possible to say too much in praise of Doan's Kidney Pills, as I have used them in my family for several years and they have always proven most satisfactory. I suffered severely from a constant backache and here were pains through my loins. The kidney secretions were unnatural and caused me much annoyance. Doan's Kidney Pills cured me and the cure has been permanent."
